How Do You Pay for NEOFS Advice & Services?

All Fees Are Payable to NEOFS: *Commissions on all **new** superannuation & investment products are banned by Corporations Act, this does not apply to retail life & disability insurance products, but does apply to Group Life insurance policies.*

NEOFS & your financial adviser can be paid by fees for superannuation & investment products (for both initial & ongoing advice) or commissions for retail insurance products, or a combination of both. Your financial adviser will discuss & agree both the rate & method of payment with you before any financial services are provided. Where you receive personal advice, your SOA will detail all remuneration & other benefits associated with the advice.

All fees & commissions disclosed in the SOA are payable to NEOFS. NEOFS may retain up to 30% & forward the balance to your financial adviser. For example, if NEOFS receives \$100, NEOFS will retain up to \$30 and pay up to \$70 to your financial adviser. Your financial adviser may also pay NEOFS a fixed monthly service fee of up to \$550.

Initial & Ongoing Fees: Fees may be either a fixed rate fee, based on an hourly rate or a combination of both & will reflect the complexity of your personal situation & the time and effort in the work done for you. Fees for ongoing advice may also be based on a Flat Fee or an Asset Scale Fee. These will be outlined in FSG part 2 and if advice is provided it will be disclosed in your Statement of Advice (SoA).

Retail Insurance Product Commissions: NEOFS may be paid initial & ongoing commissions by retail insurance product issuers in association with the placement of the recommended retail insurance products & ongoing commissions may be paid for as long as you hold the product. Commissions will vary depending on the circumstances. However, they may be up to 88% initial/22% ongoing or 33% level ongoing of the premium for retail life insurance products. For example, for a commission on an insurance premium of \$1,000 is up to \$880 upfront and up to \$220 each year thereafter.

Referral Fees: If a third party referred you to us, we may forward referral payments or commissions to the third party. These amounts do not involve additional costs & will be disclosed in your SOA. All fees & commissions are subject to GST.
